

Camp Davern Behaviour Expectations

Camp Davern is committed to providing safe, fun and memorable experiences to all our campers. This goal is achieved through behavioral expectations we have established for all members within our community. The single most significant element to a positive camp experience is the peer interactions within the camper community. Please help to ensure our community's success by reviewing the following information with your camper(s) prior to arrival at camp.

Davern is committed to ensuring an inclusive and positive environment for all our campers. We strive to support the individual needs of each child within the context of our operational structure. The program at Camp Davern requires that campers are able to independently move throughout the camp and function successfully within their peer group. Camp Davern does not provide special or continuous/prolonged one on one staff support to campers.

In an instance where a camper behaves in a way that compromises our ability to provide safe, fun and positive experiences to all campers, or in a manner which is inconsistent with the expectations listed below, your child may be required to leave camp.

It is an expectation that all parents and campers are aware of the following:

1. Any camper or leadership candidate that is found in possession of cigarettes, e-cigarettes, vaping devices, or any drugs or alcohol will be sent home. The use of drugs, alcohol, smoking and vaping are strictly prohibited.
2. Any camper or leadership candidate that brings weapons to camp that are deemed by our staff team to be threatening or dangerous will be sent home.
3. Campers that deliberately try to lessen the enjoyment of camp for another camper will be spoken to by the camp director or an appointee. If the behavior is not corrected, they will be sent home.
4. Any campers or leadership candidates who engage in acts of self-harm or discussions pertaining to self-harm will be sent home.

In the event that any camper is found with or taking part in any of the items listed above, there is no refund or credit on their camp fees.

As a member of the Camp Davern Community, it is expected that everyone follow the following Behavioural Expectations. In the event that any of these are broken, a camper or leadership candidate MAY be sent home. In this instance, no refund or credit will be applied to camp fees.

- Aggressive or inappropriate behavior such as bullying, teasing, harassment or pranking is not tolerated at Camp Davern.
- Swearing and the use of distasteful/inappropriate language is not acceptable at camp (this includes discussions that are sexually explicit in nature).
- Vandalism, tagging, graffiti, or damage to the camp property is not allowed. This includes but is not limited to damage to cabins, program areas, equipment, outdoor furniture, washrooms and any buildings on the property. Campers will be billed for any damages caused.
